Dear Miss Butler:

Your letter addressed to the New York regional office has been forwarded to my attention.

We are sorry that at this time we do not feel it advisable to send WCSR promotional records due to the closeness of summer vacation at the school.

However, we feel that if you write at the opening of school next fall, we would be able to work out some arrangement whereby the college station would be serviced.

Thank you for your interest in our products.

Very truly yours,

CAPITOL RECORDS DIST. CORP.
